## **EGAN COMPANY TO HOST FEED MY STARVING CHILDREN FOODPACKING EVENT**

**MINNEAPOLIS, MN (February 8, 2016)** – Egan Company, a Brooklyn Park specialty contractor, announced its Champlin facility as the site of the Northwest Metro MobilePack event for Feed My Starving Children.

“We’re fortunate to have a facility in a state of construction to offer as a MobilePack site. It gives us a chance to get to know our community as we partner with Feed My Starving Children,” said Duane Hendricks, Egan Company Chief Operating Officer. “If you’re interested in donating or packing food that will feed children in need in our community and around the world, join us and help out this great cause.”

Community members are invited to pack food at Egan Company’s Champlin facility. The event will take place February 24-28, and see a total of 10,000 volunteers packing two million meals that will feed 6,000 children for one year. For more information or to sign-up, visit the Northwest Metro MobilePack event link: <http://bit.ly/23f1vLc>

Egan Company has a strong commitment to the local community, actively devoting time, compassion, and resources for organizations like Feed My Starving Children. Egan has over 50 employees who have volunteered time to support this event.

Feed My Starving Children is a local nonprofit hunger relief organization working with volunteers to produce a scientifically formulated food formula that is culturally acceptable worldwide. Organizations in nearly 70 countries around the world distribute these meals to children in greatest need.

### **About Egan Company:**

Egan Company is a specialty contractor that represents over 15 skilled trade unions serving virtually every infrastructure discipline in the industry. Core services include: electrical, mechanical, curtainwall/glass (InterClad), millwrights, controls and system integration, building automation, and service.
